**Yekaterinburg  
Circus is a circus  
building for 2600  
spectators in  
Yekaterinburg.**

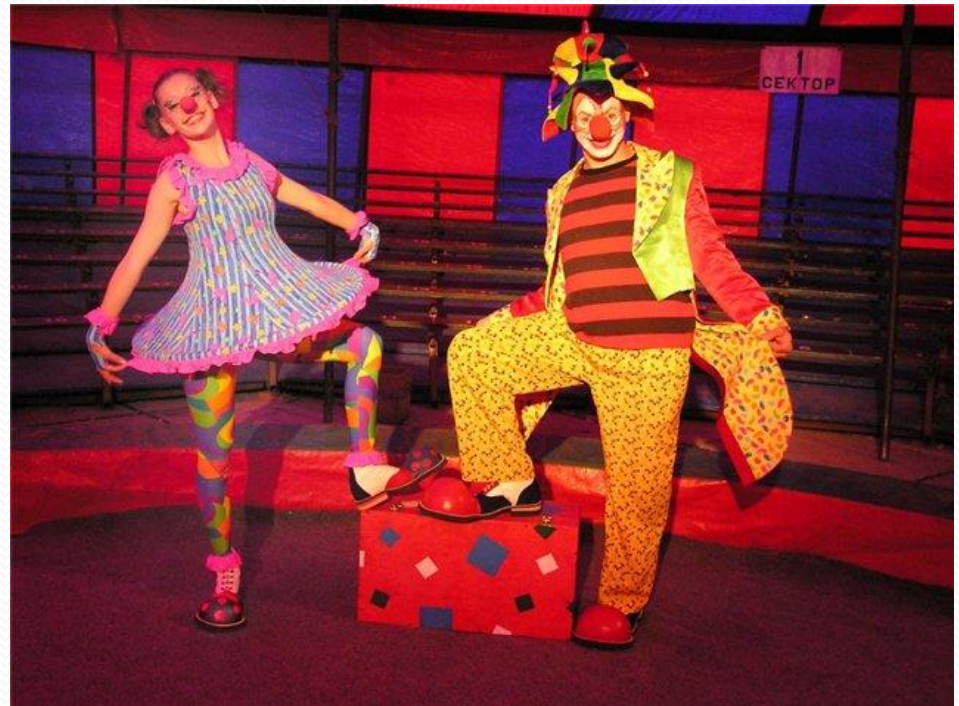

The circus was built in 1980 on the right bank of Iset river.

Yekaterinburg circus has a lattice steel dome with a distinctive shape, which makes one of the Yekaterinburg landmarks.

Circus is named People's Artist of the USSR,  
animal trainer V.I. Filatov

Since 1996, the circus held annually regional, national and international festivals and circus arts.

Circus in Yekaterinburg is no less famous than Moscow or Saint-Petersburg circus.

Yekaterinburg Circus can be seen from any point of the city.
