

MY PORTFOLIO

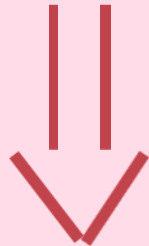

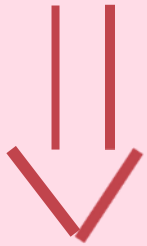

ALEKSANDRA MAVLETDINOVA
6 "A" GRADE, SCHOOL №1, SYSERT

**IN THIS PRESENTATION I WOULD LIKE TO TELL YOU
ABOUT MYSELF, MY FAMILY, HOBBIES, CLASS AND
ACHIEVEMENTS.**

I'm kind and
friendly person
everywhere!
And partly an
optimist.

I always dream.
And even if I know
that it's
unrealizable
dream, I think
about it.

I am a
brave and
calm
nature,
too.

ABOUT MYSELF

My name is
Aleksandra, my
surname is
Mavletdinova. I'm 12
years old. Live in
Sysert.
I study in the 6th form
of the secondary № 1.

MY FAMILY

My family isn't big. My mum and dad, my little sister, cat and I – it is my beloved family.

In this picture my dad and I are meeting my sister Sofa in the first time. This is my mum. In this moment she is so happy!

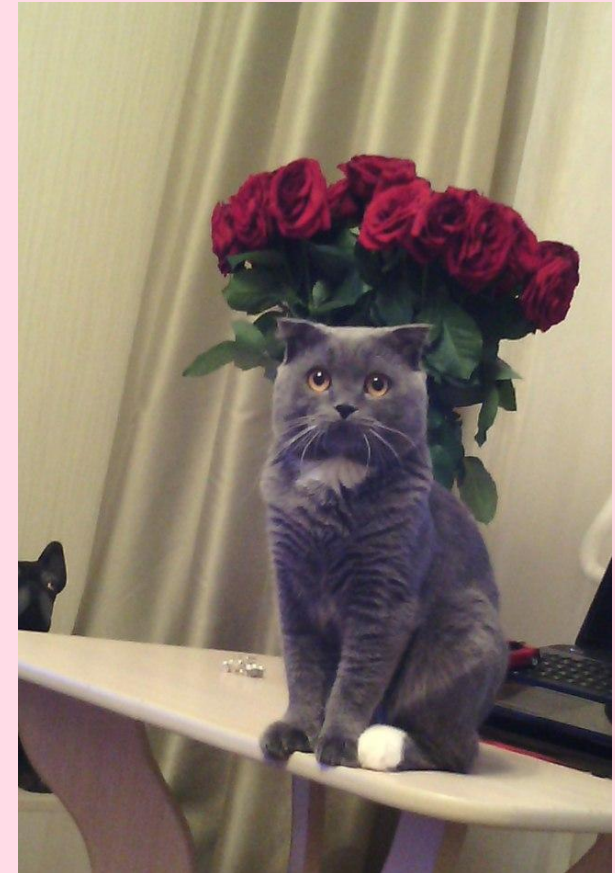

I have a younger sister. Her name is Sofa. Now she is only 1 year. I love her. I believe that this love will be bigger and bigger after years.

My dear mum's name is Svetlana. I love her meal but I really can't understand if she likes cooking or not. For me cooking is a hard work. I think, for my mummy it is pleasure because we always say: 'Thank you that you cook for us, mum!' She really loves to hear it.

My dad name's Salavat. He loves our family, he has all about he could ever dream. On one New Year's night he told: 'I wanted to have a good family, to have a big cat on the chair, kids and a wife, who loves me... Now I have all of it, I think I'm the happiest person in the world!'

This is our cat Kapusha.
He is only two years old.

We have a lot of funny moments with
him. All people of our family think
that Kapusha is an important part of
our family.

MY ACHIEVEMENTS

I love to be the first. But sometimes I can't do it. I can be on the second place or on the third place. If I can't have the first place, I am upset and worried about it.

But I have a lot of achievements! I'm so happy that I have them!

I will have many achievements in the future!

MY CLASS

Now you can see my classmates and our teacher Marina Aleksandrovna. We are friendly class, who loves to laugh, to do crazy and unreasonable things everyday! We love our teacher, now we are going to congratulate her on the 8th of March.

THANK YOU FOR ATTENTION!
